## Annual PHA Plan PHA Fiscal Year 2000

[24 CFR Part 903.7]

### **i. Annual Plan Type:**

Select which type of Annual Plan the PHA will submit.

☐ **Standard Plan**

#### **Streamlined Plan:**

- ☐ **High Performing PHA**
- ☐ **Small Agency (<250 Public Housing Units)**
- ☒ **Administering Section 8 Only**

☐ **Troubled Agency Plan**

### **ii. Executive Summary of the Annual PHA Plan**

[24 CFR Part 903.7 9 (r)]

Provide a brief overview of the information in the Annual Plan, including highlights of major initiatives and discretionary policies the PHA has included in the Annual Plan.

The Sonoma County Community Development Commission (CDC) acting as the Sonoma County Housing Authority (SCHA) administers the Section 8 and other rental assistance programs for the County of Sonoma. The Agency Plan is tailored to comply with the Quality Housing and Work Responsibility Act of 1998 (QHWRA).

The Plan is consistent with the two Consolidated Plans in our jurisdiction; the Consolidated Plan for the County of Sonoma and the Consolidated Plan for the City of Petaluma. The most significant of the changes enacted by QHWRA is the merging of the Certificate and Voucher Programs into the Housing Choice Voucher Program. The SCHA's Section 8 clients will all receive Housing Choice Vouchers within the next two years. Another significant change is that Section 8 property owners can now use their own lease or rental agreement and can choose the length of the tenant's term, from one month to twelve months. This flexibility makes the Section 8 program much more attractive to property owners and may result in increased housing choices for participants.

The high cost and low supply of housing in Sonoma County is a critical problem. The SCHA plans to continue assisting the greatest number of households possible. Currently, the SCHA is assisting approximately 2,360 households through its various rental subsidy programs.

Our agency is part of the entire effort undertaken by the County of Sonoma to address our jurisdiction's affordable housing needs. While we cannot ourselves meet the entire need identified in this Plan, we will try to address

some of the identified needs by using appropriate resources to maintain and increase the number of units that we are currently subsidizing. We will continue to apply for additional funding to assist low-income residents of Sonoma County. We will also continue an aggressive outreach program to property owners throughout the County. We intend to work with our local partners to try to meet the identified housing needs in Sonoma County.
